Oregon

Chief Electrical Inspector

Dennis Clements

(4 hours of Continuing Education Credit)

CENTRAL ELECTRICAL
NECA IBEW
TRAINING CENTER

RULE AND LAW **EMERGING TECHNOLOGIES**

August 16th, 2010

4 - 8 p.m.

Eagle Crest Convention Center

1522 Cline Falls Highway

Redmond, Oregon

The Central Electrical Training Center, in conjunction with Oregon Pacific-Cascade Chapter NECA, IEC Oregon, and IBEW Local Union 280, would like to invite **all** electricians, apprentices and contractors to a **FREE Electrical Program Presentation** with Chief Electrical Inspector Dennis Clements. He will be discussing **emerging technologies, rule and law**. Please bring your 2008 NEC Book and any questions you might have. Licensed electricians, technicians, and inspectors will receive **four (4) hours CC** of State approved Continuing Education Credit for attendance. **Free to all.** No registration is required.

Beverages will be provided
